

Explorer Day Camp

Explorer Day Camp is a camp designed for 9-13 year olds with high functioning autism, ADHD, or other social- communication disorders. Campers will make new friends and practice social problem solving skills while exploring various venues and activities in Austin and the Hill Country. Parents will drop off and pick up campers at the activity location. Camps will meet once per week on Thursdays for 3 weeks. Camp leaders are licensed therapists. Registration is limited to 8 - 12 campers (depending on needs). Activities will be modified to accommodate all campers.

Registration fees include entrance costs for venues and supplies. A 10% discount is given if you register for all three sessions.

**Registration: call 512-858-2507 or go to
